valentines Disco 6pm-
7.30pm

Thursday 14th February
PTA Coffee morning with
children and Year 3
Swimming Lessons

Friday 15th February
Last Day of School

Monday 25th February
All Children Back at
School

Dear Parents/Carers,

Can I start off with a massive thank you to those of you who so kindly donated knives, forks and spoons to the school. I am often humbled by how generous people are and this is yet another example of how lucky we are to work with such kind families. This term we also had a wonderful visit from the St Luke's mascot as a thank you for the money that was raised by the children for the Rudolf Run. So lots of thank you's for your kindness.

I'd like to take the opportunity to explain a little bit about the work of the Student Leadership Team. This is a group of Year 6 pupils who have been voted for by all of the other children to support in the leading of their school. We have a Head boy- Tommy and Head Girl- Maddie; we then also have 2 children who lead each house Tyler and Grace for Blue house, Marcus and Kaci for Orange house, Lewis and Chloe for Green house, Megan and Liam for Red house and Jade and Jayden for Yellow house. This year we have introduced the Student Leaders wearing red T-shirts. This is so that they can be spotted by the other children as the Heads of their school houses and so that other children can go to them for help, support or to talk about ideas to make or school even better. These are the children that the Chair of Governors, Tim Hailwood, and I meet up weekly to consult about how we can continue to improve our school.

As always we are very interested in ensuring that the children are as fit as possible. We have had competitions at the Rudheath Senior Academy, in which the children have been super and I have been very impressed with their positive Top 2%er attitudes. Other visits have included Year 4 visiting Chester and Year 1 going to Chester Zoo- the children had such fun and came back having had real life experiences to base their learning upon.

Next month we are really looking forward to our Safer Internet week and hope that you can join us for the E-safety workshop on Tuesday 5th February 9-9.30 for a parents workshop in keeping our children safe on-line. We are also looking forward to the ART TRAIL launch on the 11th February, where 4 of our children will meet the Mayor at the start of the Northwich Art trail and go around the trail with her. Please will you try to take your children around the shops in the centre at this time and see all of the lovely work from the Northwich schools.

If your child is in year 3 or 4 I very much hope that you can join us for your children's family learning sessions – check the date list for dates! We also hope that your child can join us on 12th February for our school Disco.

Kind Regards

Cathy Lord

Headteacher (currently digging out her dancing shoes!)

Reception

Reception had a fabulous day at Chester zoo; although it was chilly we still had lots of fun looking at all the animals. We saw the elephants, lions, bats, rhinos, giraffes and many more wild animals. We learnt about how they live, what they eat and how they are looked after. We had a very busy and exciting day. Back at school we wrote about being a zookeeper thinking about which animal we would like to look after. We've even made our own zoo in our classroom.

The photograph shows some of the children learning about the giraffes

Mrs Wetherall

Book Recommendation by Year 6

This term we have been reading Paddington by Jeanne Willis, which is based on the movie. This book is about a bear that travels from deepest darkest Peru to London and meets a 'human' family at Paddington Station. The Brown family decide to look after the bear by giving him a name 'Paddington' and a safe home. However, all is not good when Paddington is faced with 'grave danger'.

We thoroughly enjoyed this book because it had plenty of humour and enabled us to link it to our London topic.

Year 6

Suggestion box at the office.

There is a new suggestion box in the main office for parents to use. If you have any suggestions on how we can become better or even a note to say how amazing we are that would be fab!
