Dear Parents and Carers,

Hopefully you are all starting to settle into our new 'normal'. We continue to miss you all and we are all trying to do the best we can until we can all be together as our Vicci Road family again.

Until then:-

- We continue to run daily emergency child-care for people who are key workers (9 am -3.15pm ) Please contact us if you need to access this facility. You can contact us via our [admin@victoriaroad.cheshire.sch.uk](mailto:admin@victoriaroad.cheshire.sch.uk) email address and we will get back to you as soon as we can
- We have access to a small amount of emergency funding if you need it, or if you know of somebody who needs this- please forward details to the admin address and we can review the need to see if it can be released.
- We are collecting free food from ALDI daily. The food that we get depends upon the day, but usually contains bread and for today and Friday there will be Easter Eggs. Emails are sent daily advising.
- All of the children have work provided on the class pages of our school website <http://www.victoriaroad.cheshire.sch.uk>; There will be no new learning as we recognise that many children and others in their households will be experiencing significant stress and uncertainty at this time. There is no expectation in terms of the amount of work children are expected to complete, just do what you can.
- You can also follow the teachers twitter pages- some teachers have even posted videos!! Twitter may become your new skill!

Reading is a wonderful way to pass the time in a very enjoyable way. There are lots of really useful resources on line. Below are links for Oxford Owl for reading books. Parents just need to register and then all resources are free.

Also Amazon have cancelled the subscription of books and audio stories for children and students. All stories are free to stream on your desktop, laptop, phone or tablet using the following link <https://stories.audible.com/start-listen>.

We are planning to be able to get in contact with all of our families over the next weeks, if we haven't spoken to you already, just to check in with you to see how you are all doing.

We hope that the above will help in a small way at this challenging time. As always we are here if you need to talk- just drop us an email and we will get back to you as soon as we can.

Take care, stay safe

Kind Regards  
Cathy Lord  
Headteacher
